Dear Dr. Perri,

Kindly acknowledge receipt of this draft agreement submitted earlier, and the terms by way of a formal letter. I have informed our Board that you have agreed, in principle, to take and prepay a specific number of core and elective slots beginning January 2007 at a set prepayment schedule (12/15/06 and 1/15/07). However, we have yet to receive a formal agreement or a promissory note. It was discussed that a written agreement be submitted to the principals by December 1, 2006.

We may also need to redraw the entire clinical affiliation agreement between Caritas Healthcare and Ross University since the current affiliation agreement may become null or void after Caritas completes the acquisition closing of Mary Immaculate Hospital and Saint John's Hospital Queens next month.

A new or revised agreement requires approval by NYSED/ Board for Medicine. Kindly review this draft, and submit a new clinical affiliation agreement. For Caritas, Harold McDonald (Chief Administrative Officer), Neal Mandava, MD (Chief Medical Officer), and John Denton, MD (Graduate Medical Education) will sign the affiliation agreement for clinical training, between RUSM and Caritas Healthcare.

Have a safe trip back.

Julius Romero
